The Fall Season...

Autumn is always an interesting time in the arenas! Skaters are trying to meet their personal skating goals! Plus with school beginning once again, they are needing to be extra organized.

Just like in school, skaters should know what they want to accomplish on each session... So skaters start making your plans!!!

As you may have noticed, we are

using some different lingo. For example there are no more Preliminary or Junior Bronze registration forms. Instead it's Star 1 to 5 or Star 6 to 10. If you have any questions about this, please speak to your base coach.

Thru-out the season you will see different ways we are implementing the new skating terms.

The first change will

be the team dinners. Instead of having 2 team dinners, the Preston FSC will be hosting one team dinner for all skaters. This event will be held in December. More information about this event will be available in the coming months.

Please take the time to read the newsletter so you are informed of the different events! In the next few months the skaters will be involved in a variety of activities from Competitions, Test Days, Simulations as well as a few fun events!!!

Preliminary or Junior Bronze registration forms. Instead it's Star 1 to 5

MISSED SESSION LINE PROCEDURE

If you are going to be away, please email us at: info@skatectc.com.

By doing this, the Coaches will be informed of when a skater will be missing. If you email prior to the start of your day's session, you will not be charged for the lesson. Even if your coach is aware of the absence, please send an email!

READY! SET! GO!

The fall program is already underway and we are now looking for your winter forms! The deadline date to receive the discounted fees is September 15th, 2017.
