

# Champions Training Centre

June 2019

## Spring School is already 1/2 way done!

Can you believe it's already the end of May?

Skaters are working hard! They are learning new elements, preparing for tests and creating new programs!

The hard work doesn't stop any-time soon. We will be heading into the summer program shortly! That's a fantastic time to focus on your skating!

Please remember to wear proper off-ice clothing attire including running shoes and bring a water bottle.

If you are going to be away, please email us at: [info@skatectc.com](mailto:info@skatectc.com).

By doing this, the Coaches will be informed of when a skater will be missing. If you email prior to the start of your day's

session, you will not be charged for the lesson. Even if your coach is aware of the absence, please send an email.

If you end up being late for an off-ice class please get ready quickly and join without interrupting. We greatly appreciate your

assistance with this!

Some of the Spring Sessions are full so please consult with the CTC office before planning your make up sessions.

The Spring Senior Bronze and higher test day is scheduled for the end of

June. If you require a specific day due to a school event, please let your Coach know prior to May 31st, 2019.
