## Summer has arrived!

Can you believe another school year is almost done? Where does the time go???

With school out, the skaters have the opportunity to concentrate on developing new skills, learning new programs and starting to think about their performance level. Summer skating can be very productive! We hope the skaters take this opportunity to thrive!

Since the last newsletter, we have had a lot take place. Did you see the pictures on facebook congratulating 3 of our Pair Teams who were presented with the City

of Cambridge Athlete Achievement Award.

Or, the many CTC skaters (all levels) who came out on a Saturday afternoon to participated in the 2016 Family Skate for the New Refugee families at the Cambridge Ice Centre?

Summer 2016

## What's Taking Place This Summer?

July and August are going to be a very busy few months. Skaters have the opportunity to attend a few different competitions, participate in the Larry Pepler Event on July 15th, try tests on two different occasions as well as win prizes!

The summer dress up days will be taking place on Thursdays. This is for skaters at all levels. Judging takes place at the start of the stroking session. Costumes should be something they can wear during their regular general sessions with a minimal amount of added costuming prior to judging.

- Wk # 1: XMAS DAY
- Wk # 2: NO DRESS UP— PEPLER
- Wk # 3: PYJAMA DAY
- Wk # 4: PINK DAY
- Wk # 5: BEACH DAY
- Wk # 6: COWBOY DAY

### Skating Attire:

On Tuesdays girls are to wear either a skating dress or skating skirt and the guys wear skating pants.

Skaters please remember to wear proper attire for all off-ice classes. Bring running shoes and have water available.

On Fridays, we will be hosting clear-ice simulations. This gives the skaters an opportunity to put on their competition outfits and perform their program. Come and Cheer on the skaters!

On some of the skaters confirmation forms, it says there is no skating on August 3rd, it should say August 1st, 2016.

Skaters: Please keep a copy of your summer schedule in your skate bag.

## Frequently Asked Questions:

### **Missed Session Procedure**

If you are going to be away, please email the Champions Training Centre office.

Our email address is: [info@skatectc.com](mailto:info@skatectc.com).

By doing this, the coaches will be informed of when a skater will be missing. If you email prior to the start of your day's session, you will not be charged for the lesson. Even if your coach is aware of the absence, please email the CTC office.

### **Are You Able to Make Up A Session?**

Yes you can make them up, however, these sessions need to be made up within the same school. You also need to confirm with the CTC office the session you wish to skate as some sessions are full.

### **How often should you get your Skates Sharpened?**

Skaters should get their skates sharpened approximately every 20 hours. We do offer the service at CTC. Mr Wheeler and Mr Eaton sharpen skates.
